[Issued patents](#)[Applications](#)[Order fulfillment processing system](#)

US Pat. 6587827 - Filed Oct 22, 1999 - Hewlett-Packard Development Company, L.P.

40 45 50 55 60 65 **Inventory-Synchronization Event** The following table describes the details of the ... **initiate** No. **Data** Element Size Notes 1 TRANSACTION X6 ...[Carrier-grade SNMP interface for fault monitoring](#)

US Pat. 6564341 - Filed Nov 19, 1999 - Nortel Networks Limited

Notifications and the notification log table(s) are used thereafter to maintain **synchronization** on an ongoing basis. NE **Inventory Data** The NMS 12 needs to ...[Process thread system receiving request packet from server thread ...](#)

US Pat. 6553406 - Filed Aug 3, 2000 - Prelude Systems, Inc.

The response packet can also include **data** for clients other than the one that... The method then proceeds to 514 where a **synchronization** thread process is

...

[Method system and apparatus for providing pay-per-use distributed computing ...](#)

US Pat. 7596784 - Filed Sep 10, 2001 - Symantec Operating Corporation

Some of the steps for application and data capture include: a) analyzing how to

... and will **initiate data synchronization**; and a policy editor module (not ...[Method and apparatus providing automatic provisioning for modular network ...](#)

US Pat. 7363260 - Filed May 8, 2003 - Cisco Technology, Inc.

The **inventory event** includes each card's type, slot, ... devices self **initiate** and announce **inventory** from the device outbound to the management point. ...[Equipment information system and method](#)

US Pat. 6868397 - Filed May 26, 2000 - Basic Resources, Inc.

This logic may be a **database** query, a mathematical operation, a sort, ... various GUIs and modules may **initiate** various **database** commands to interrogate

the ...

[System and method for remotely configuring testing laboratories](#)

US Pat. 7133906 - Filed Feb 16, 2001 - Lumenare Networks

When changes are made to this **database** 80, the changes are passed to the global scheduling system 70 for **synchronizing** the global **inventory database** 76.
